HOMAGE TO THE MASTER

Julian Pottage worked on a number of books with the late Terence Reese, and this one pays homage to a man who was arguably the best bridge writer of his time. One of Reese's classics, *Play these hands with me*, pioneered the 'over-the-shoulder' style of bridge writing. What that book did for declarer play, the present one does for defense: readers can follow the thinking of an expert player, stopping at critical points in the deal to make their own decisions about how to continue.

JULIAN POTTAGE is a British bridge expert who is well-known for his problem books. His previous titles include IBPA Book of the Year *Play or Defend?* and *Bridge Problems for a New Millennium*.
