Learn the Latest and Greatest

The best and most popular conventions in every area of bidding explained. Whatever your preferred system of bidding, you and your partner will inevitably play a number of conventions. This book will not only help you to decide what to incorporate into your partnership's armory, but also help you to understand the many weapons that might be used against you at the table by your opponents.

First published in 2001, this edition has been revised and updated by the author to include many new ideas.
