INTERMEDIATE

Praise for *To Bid Or Not To Bid*:

Practical information you'll use next time you play, and every time you play —
Eric Rodwell

Finally, Larry tells us how he won all those events! — *Zia Mahmood.*

A delightfully different way of looking at the bidding. Guaranteed to help your
game. — *Dorothy Hayden Truscott*

The most comprehensive book ever written on this important topic. —
Bob Hamman

TO BID OR NOT TO BID – THE PERENNIAL DILEMMA IN COMPETITIVE AUCTIONS!

The easy answer to the question lies in the correct use of the Law of Total Tricks. The LAW has been part of bridge literature since the 1950s, but it was in this book that Larry Cohen brought it to the attention of the majority of bridge players. Still the most lucid explanation of the LAW ever published, this is a book that every bridge player needs to own, to read, to reread, and to study in order to improve his results.
